

MFCHA Approved Roofing Shingles – Update 6/25/24

Weathered Wood: “Brownish-gray with red undertones”

Owens Corning Supreme “Weathered Wood”

(Original approval, color is no longer available, 3-tab shingles are not very popular)

IKO Cambridge “Weatherwood”

GAF Timberline HDZ “Weathered Wood”

(Approved for 104C and 103A)

Certainteed Landmark “Weathered Wood”

(Used on 102B)

Certainteed Landmark Colonial Slate

(Used on 105A, 105B, and 108D)

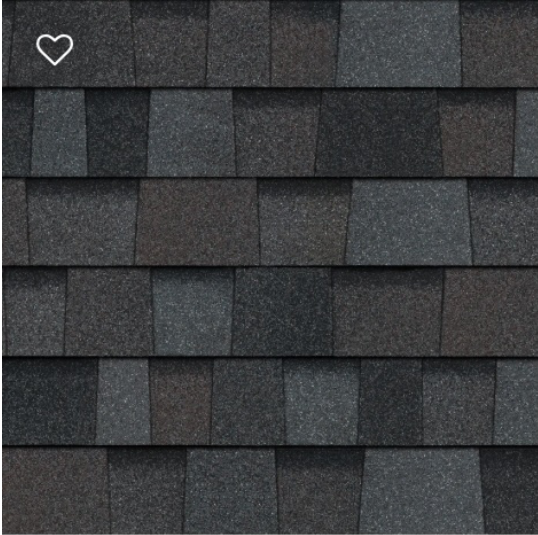

GAF Timberline HDZ "Williamsburg Slate"

Listed as "No longer sold on Lowes.com" but is available from other websites

This is what the newer version of Owens Corning shingles look like:

Owens Corning Oakridge "Williamsburg Gray"

Owens Corning Oakridge "Driftwood"
